The Austro-Prussian Difficulty. In conformity with its practice on the apparent approach of war, the Times undertookyes-

terday to road Austria and Prussia a moral lesson. From the lefty position of an impartial and disintercated spectator it communicates to the possible nombatan's the unofficial advice of the English nation. That advice is certainly not unmixed with repreaches, but neither of the parties addressed has any cause to triumph over the other merely on this score. The two Powers are designated by the common title of "intane vivale," and are described as being withheld by " neither shame nor fear from contemplating a fratricidal conflict, while the chief hope of preserving pence is asserted to rest on the doubtful chance of their

being favourably wrought upon by the remonstrances of their own people of the German nation and of civilized Europe." A careful reader, with a retentive memory, may perliaps bethink himself that he has heard something like this before. In of having been indifferent to the sufferings of charge and the prisoners were sent about their fact, he might without much difficulty, have constructed the article beforehand. It is little more than a reposition, with a change of names and dates, of similar coursel, proffered un er somewhat similar circumstances. In reading it we seem to be once more in the spring of 1859, or the anomer of 1861. Just as in the war between France and Anstria in the former year, or betheen the Northern and Southern States of the Union in the latter, all reference to such undiplomarie considerations as right and wrong is ours-

fully kent out of sight. It is assumed from first to last that with both Powers it is simply a ques-CALCUTTA, 28th April. (Four per cent., Rs. 13 to Rs. 13 die. tion of suicidal ambition. THE MAIL NEWS. ie China Express, we extract the folragraphs relating to European events 10th of Anril. een, determined to mark her sense of dy's princely generosity, and unable him to accept either a baronelcy or the tes of the Bath, has written him an autter usking him to accept a miniature berself, to be painted specially for him. is written on the occasion of Mr. Pea-

parture to America, and the Queen adds binature in question when painted, can sent to America, or "given to him on which she rejoices to hear he medihe cannery that owes him so much." Zhi nlways a demagogue, now appears public as a full-blown Chartist. In a na Reform Association of Biemingham all working men seeking a Reform Bill e in London and fill Parliament street ing cross to the Abbey on the 12th inhe avowed purpose of intimdating the Jommone. tringham election petition still drags its b along, being the only one of the first yet disposed of. No less than thirty-six affecting the scats of thirty-five Liber-

eighteen Conservative members, are djudication and will be at once proceeded rd J hn Hay, having been appointed one rds of the Admiralty, has been re-elected without opposition. lunteer review at Brighton has undoubtedn a social point of a view, the great event etnight. The imposing force assembled presence of the Prince and Princess of fficed to render the affair brilliant e-ough mere holiday spectacle. But its real ce lies in the proof which it embodies of tantial value of our Volunteer force as a institution. The admirable organisation rea is illustrated by the ease with which -for we can call it no less-between ad 30000 men was conveyed in one mornven spot over distances varying from 50 to s, and back again the same evening. a single confretemps. And with the same Volunteer Staff Corps proclaims its resplace on any give sput in the kingdom troops, 60,000 horses, and 100 guns' in

o of thirty-six hours! On the speculation field works would be required in the n the same corps could collect together y-four bours 80,000 " navvice" to throw ications for defence or support. Berman problem is still unsolved, and the stal journals are daily filled with conflictyours regarding the situation. A circular been addressed by Count von Bismarck bigar German States accusing Austria of ling war, and asking support in the event On this the Austrian Government put formal denial of any intention of at-Prussia and called on Prussia for a sienial. To this no satisfactory reply has o given but warlike preparations are conon both sides. Meanwhile, the Emperor in has written nutograph letters on the to the governigns of bath States, but t of these communications has not yet made public. There is some reason to that the Prussian Government has latee avertures to us for our mentation in larrel. These have been hrown out, in a directoly official, at least in a sufv significant manner. It by no means , indeed, that Count Bismarck will adopt ansel, or permit us to arrange the dispute; votiation, if it mean nothing better, at any bans delay, and implies a desire to acquit acter for moderation as well as to gain time.

ly therefore fairly antic pute that the King Minister are not desirous of encountering ies immediately. o the date of our last advices from America a was still safe. St. Patrick's day, passed n the United States without any Feniau deration, and General Swe ney areas that he It yet quite made up his mind whether to ence with an invasion of Can ida or an exion to Ireland. Washington despatches hed in the New York papers state that very apprehension exists in official circles that the us will attempt an invasion of Canada, and elligerent act justifying interference had ones to the knowledge of the American nment. At the same time, we are told considerable excitement still prevaised lifax. The militia had been called out, and orts, minned by, arrillerymen. The news ously received of the departure of the West squadron for Halifax, by the order of Six rick Brue, is confirmed, Ireland is tranno further arrests of importance having been Several soldiers convicted of Fenianism been tried by court-martial and one (Ser-Darrah, of the 2nd R giment) sentenced to t, butthe senience was afterwards commut
